

## SPRING-CLEANING PLAY/ FUN

### Who can do it?

Everyone

### When can you do it?

- During your free time.
- To introduce the concept of getting the best out of waste to children.

### How to do it?

- Check on things in the house that you feel are of no use or are wasteful
- Think of ways in which you can utilize or reuse these materials, with friends/ family/ by yourself. Examples:
  1. Making decorated paper bags out of newspaper
  2. Making containers out of a shoebox
  3. Making masks out of spare cloth

### How will it help and expected outcomes?

- It will help unleash your creativity and imagination.
- Children will learn to reuse resources.
- It will help build a new habit for you and those around you.

### Resources required?

Any identified waste materials, colours, craft, glue for decorations (as needed).
